CALCUTTA BLIND SCHOOL
BEHALA.

Registered under Act XXI of 1860.

Founded by the late Rev. LAL BIHARI SHAH in 1897.

The Main Building.

Opened in 1925 by Lord Lytton, Governor of Bengal.

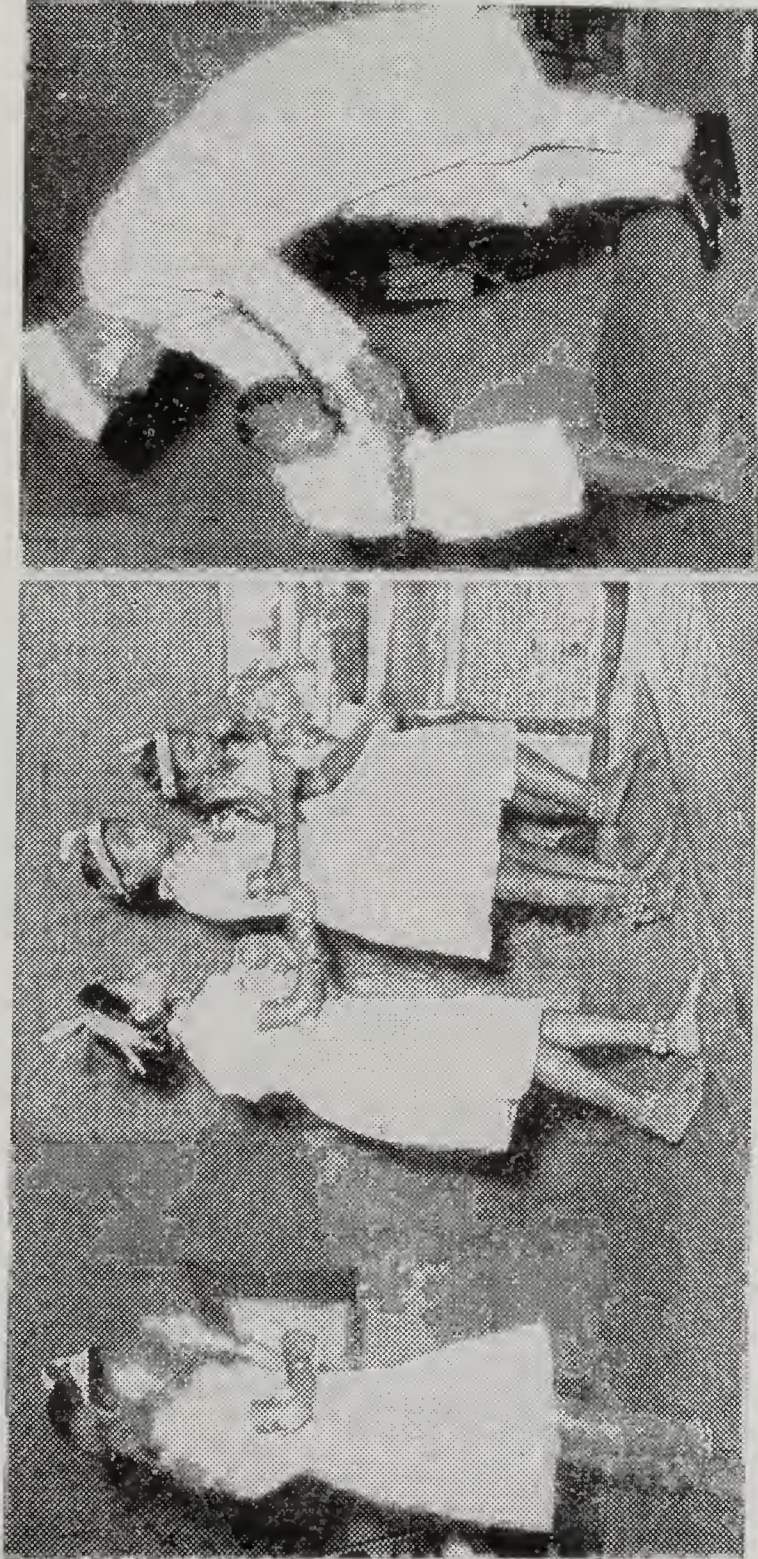

Annual Report
For
Nineteen Hundred and Fifty.

PAST PRESIDENTS.

- 1911—1912 The Hon'ble SIR ARCHDALE EARLE.
Chief Justice of Bengal.
- 1912—1916 The Hon'ble MR. JUSTICE H. HOLMWOOD.
Chief Justice of Bengal.
- 1916—1926 The Hon'ble SIR LANCELOT SANDERSON.
Chief Justice of Bengal.
- 1927—1934 The Hon'ble SIR GEORGE CLAUS RANKIN,
Chief Justice of Bengal.
- 1934—1934 SIR RAJENDRA NATH MOOKERJEE.
(From July, 1934 to March, 1935)
- 1935—1947 The Hon'ble SIR HAROLD DERBYSHIRE,
Chief Justice of Bengal.
- 1948— SIR BIRENDRA NATH MOOKERJEE.

PAST HONORARY SECRETARIES :

- 1911—MR. W. R. GOURLEY, (Private Secretary to the then H.E.
The Governor of Bengal).
- 1912—1931 The Hon'ble RAI P. N. MOOKERJEE Bahadur.
- 1932—June 1948 The Hon'ble MR. C. C. BISWAS.
- 1948—MR. D. J. COHEN.

The girls love dancing.
His Excellency Dr. K. N. Katju presided over our Prize Distribution in 1949.

Patron :

His Excellency DR. KAILASH NATH KATJU, Governor of West Bengal.

BOARD OF GOVERNORS

President :

SIR BIREN MOOKERJEE.

Vice-Presidents :

The Hon'ble SRI C. C. BISWAS, (Minister, Govt. of India).

Rai SIR BADRIDAS GOENKA Bahadur.

Maharajadhiraja SIR UDOY CHAND MAHTAB Bahadur of Burdwan.

Honorary Jt. Secretary :

The Rev. S. K. CHATTERJEE.

Honorary Secretary :

D. J. COHEN, Esq.

Honorary Treasurer :

Rai M. N. GUPTA Bahadur.

Honorary Assistant Secretary :

Principal AMAL SHAH.

Members :

The Hon'ble DR. R. AHMED, (Minister, Govt. of West Bengal).

The Most. Rev. BISHOP ARABINDO MOOKERJEE, Metropolitan of India.

SRI SADHAN CH. GUPTA.

SRI KANAI LAL JATIA.

*Blind

From right :—

His Holiness the Archbishop Ivanois of Travancore, Dr. M. E. Frampton, Chairman, President Truman's Committee of the Handicapped, U.S.A. and Principal Amal Shah, at the New York Institute for the Education of the Blind in 1947. Dr. Frampton sent donations and valuable apparatus for the blind. Principal Shah was trained under him in 1939-40 and 1946-47 at the Columbia University. Dr. Frampton awarded him scholarships worth Rs. 20,000/- for his education in U.S.A. and tours round the World. Our sincerest thanks to Dr. Frampton.

TRIBUTE TO THE FOUNDER

The Late Rev. LAL BIHARI SHAH.

Born : 1st December, 1853.

Diad : 1st July, 1928.

HISTORY AND WORK.

At Behala, in the suburbs of Calcutta, six miles from the heart of the city, surrounded by a beautiful campus, brightened by the beds of flowers and a large swimming pool, the pioneer School for the welfare and education of the blind, which is a living monument of the compassion and big-heartedness of a humble servant of God, welcomes blind people eligible for training from all over India and Pakistan.

The history of the Calcutta Blind School goes back to the early spring of 1894. Up to then nothing was done in Bengal for the welfare and education of the blind, and very little in India. In that year the late Reverend Lal Bihari Shah, the Founder of the School, became acquainted with Mr. L. Garthwaite, who initiated him in the Braille system of reading and writing for the blind. For nearly three years Rev. Shah worked at the Braille method and finally succeeded in adapting it to the Bengali language. This was a striking achievement, seeing that Bengali, besides having a larger number of letters in the alphabet than French which is the origin of Braille, also possesses a number of combined letters and half-vowels. In order further to qualify himself, Rev. Shah got in touch with the British and Foreign Blind Association, (since called the National Institution for the Blind) London. Thus equipped in 1897, he opened a Home and School for the Blind in his own house at 154, Karaya Road (now Park Circus) with only one pupil on the roll. In March 1898, three more boys came to him. Having in a years time from this date achieved some measure of success in teaching blind pupils. In March 1899, the first Annual Meeting of the School was held in Calcutta under the chairmanship of the late Mr. Kali Churn Banerji, a distinguished leader of Bengal. This meeting brought the institution to the notice of the public. The School moved from place to place, and for 13 years Reverend Shah carried it on single-handed. He became blind in 1910. With advancing years and with the growth of the institution, however, he could not manage to carry on without help and fortunately, he was able at this stage to enlist the active support of the late (after Sir) Archdale Earle and the late Mr. W. R. Gourley. The result was that in 1911 the School was registered as a Society under the Societies Registration Act (XXI of 1860) with a Court of Governors of which Sir Archdale Earle was the first President, Sir Rajendra Nath

Mookerjee and the Maharajadhiraja Sir Bijay Chandra Mahtab Bahadur of Burdwan, the first Vice-Presidents, and Mr. Gourley, the first Secretary.

Successive Governors of Bengal have taken keen interest in the work of Rev. Shah and helped his School in many ways. For many years the School struggled with the serious handicap of hired buildings, not suited to its growing requirements and not capable of accomodating the pupils who sought admission. Expansion in the way of introducing new industries and handicrafts was also almost impossibility. Lord Ronaldshay, (Now the Marquess of Zetland), the then Governor of Bengal, came to the rescue and helped in securing land at Behala for the permanent habitation of the School. This was an act of great foresight and wisdom which has placed the institution not only on a sound basis but amid congenial surroundings with facilities for expansion which would have been well nigh impossible within the city proper. In 1923, Lord Lytton, the then Governor of Bengal, earned the undying gratitude of the Court of Governors by issuing a personal appeal for donations for a Building Fund.

The first and main portion of the building was opened on the 31st March, 1925, by His Excellency Lord Lytton, and the dormitories on the first floor by Her Excellency The Marchioness of Linlithgow on the 18th December, 1937. The total area of land possessed by the School is now about 9 acres.

This is the history and achievement of Reverend Lal Bihari Shah in brief and you have learnt the stages by which they have been reached; you have known the names of those to whom we are indebted. Imagine that this story were a cinema film which you have just read pass upon the screen from start to finish. Would you replace it in the machine and reverse it and travel back with us through the intervening years until we arrive at that little room where one child began to learn at the feet of Rev. Shah ?

“For I am’ware it is the seed of act
God holds appraising in his hollow palm,
Not act grown great thence on the world below
Leafage and branches vulgar eyes admire.”

Here is the act grown great the leafage and branches. But it is still only a small plant and it is hoped that it will spread and grow still further ; but it was in Rev. Shah’s house that the seed was first sown and it is the seed of act we would ask you to appraise.

The Earl of Lytton paid his tribute to the Founder, Rev. Shah, at the Opening Ceremony of the Behala premises on the 31st March, 1925, with the following words :—

“The reason why this work of Rev. Lal Bihari Shah prospered is because it is sown in love, because one man said in his heart—I will use the life that God has given me to lighten the darkness of those who have been denied the precious gift of sight. Such a seed planted in such a soil was bound to grow and it is to Rev. Shah that the blind children of India who will be taught in this School owe everything. However great this institution may become—and I hope that it will go on growing steadily in future years—every addition to the building, every rupee added to its endowment, will be due to the man who first planted the seed. That is still in a struggling condition is due to the fact that more men have not been found with the same inspiration, the same devotion, the same spirit of service which first animated the revered Founder and has since inspired the men and women who have carried on his work.

“I am not going to sing the praises of this School, to point out to you its many advantages and congratulate the Governors on the achievement. If I were to do so, I might create a wrong impression ; you might then go away with the comfortable belief that all that was required was being done. You might return to your homes and say to your friends—’Is not it a happy thing that these poor blind children are now being cared for and are well taught in a beautiful school at Behala ?’ That would be a mistake. The work is not finished ; it is scarcely begun. That is why I asked you to go back in imagination to the beginning and to realise that picture of the first child receiving its first lesson. All that has happened since only serves to show us what may follow, from that beginning ; it has not brought us to the end or even within sight of the end.

“I want you to remember that you have learnt today that the way to relieve the sorrows of the blind and to remedy their deficiencies was pointed out to us as long as 1894 and that the work then initiated has not yet been accomplished ; that it has taken 30 years but to make a beginning, and that you want to help those who are doing this work to bring it to a conclusion. If you will but give us your hearts, then the necessary money will follow.”

On the 6th December, 1950, the Founder's Day was celebrated at the Calcutta Government House. H. E. the Governor presided. Girls singing the hymn "Lead us from darkness to light."

ANNUAL REPORT

Presented at the Annual Prize Distribution on the 28th January, 1951. Presided over by The Hon'ble Dr. B. C. Roy, Chief Minister, Govt. of West Bengal.

As Honorary Secretary of this Institution, it is my privilege to present to you the Annual Report of the Calcutta Blind School. Since there was no function held last year, due to a combination of unavoidable circumstances, the Report currently presented purports to deal with the activities of this institution for the two years 1949 and 1950.

The last Annual Prize Distribution was held on March 18, 1949, when His Excellency Dr. Katju, Governor of West Bengal, very kindly presided. As has been stated, we had to forego a Prize Distribution last year.

The two years under review have been years of steady progress, and, despite the fact that our work has been greatly handicapped by a dearth of adequately trained teachers, the training and education of the pupils in the various departments have been maintained. The Principal and his staff of teachers together with the students worked with zeal and determination

to try to make this an ideal place for the welfare and rehabilitation of sightless children in India, and to set a wholesome example worth following by other Indian States. I know that I may thank them most heartily on behalf of all those who have the welfare of the blind at heart.

We have at present on our rolls 112 students—80 boys and 32 girls. The School can easily accommodate another 40 pupils, but shortage of funds prevents its so doing. There is a waiting list of 100 students, who cannot be taken in while the present conditions prevail. Twenty-five years ago, the then Government sanctioned a sum of Rs. 600|- per month as a grant-in-aid to the School, and, although times have changed drastically for the worse, this grant has not been increased since. We earnestly beg the Government of West Bengal to give us an adequate grant to enable us to carry on this noble work of equipping the physically handicapped as useful and self-supporting citizens of this great new republic. Our scheme for further developments has been accepted by the Government, but no step has been taken so far in the matter.

The School was requisitioned by the then Government as emergency hospital for epidemic diseases from 1942 to 1947, and several cases of Tuberculosis and Cholera were admitted here. On de-requisition, the Board of Governors had to spend some Rs. 45,000|- out of its Reserve Fund to renovate the buildings and the campus, which had been very badly damaged. As a consequence very little money remains in the School's Reserve Fund.

Our main work, since the School premises were handed back to us has been hampered by the necessary rehabilitation the state of the premises entailed. Even now there are vitally necessary improvements which have had to be postponed owing to the depleted state of our finances. I cannot strongly enough emphasize the very real need for help by the Government, and the help must be immediate if we are to continue our task of making independent citizens of the blind.

We have students from Bengal, Assam, Bihar, Orissa, Madhya-Pradesh, Bombay, Kashmir, and even from Pakistan and Ceylon. Our general programme comprises four main departments: First—Academic training which is on a fairly high level; Second—Music training embracing both vocal and instrumental instruction; Third—Industrial training in various types of handicrafts; and Fourth—Extra curricular activities. Of seven students, all of whom were trained here since early childhood, presented for

the Matriculation Examination last year all passed in the First Division. Under the second head, the students successfully broadcast from the Calcutta Centre of All India Radio musical programmes and playlets. They gave demonstrations of their work at various Clubs, Schools and Colleges, where the Principal had been invited to give lectures.

Another of our manifold activities is Scouting, and our Scouts participated in competition with their seeing brother Scouts. In some of these encounters our Scouts stood first and second. They have made a reputable name for themselves ; last year they camped out Ganganagar for a week, during the course of which they were visited by His Excellency Dr. Katju, Chief Scout for West Bengal, who expressed his delight in observing their prowess.

The School is justifiably proud of having trained many worthwhile citizens during the last 55 years. Many of its pupils have graduated from Universities, thereby triumphing over their disabilities. Many of them have become teachers, professors, artisans, musicians, singers and businessmen. One of our ex-pupils is a respected Barrister practising in the Calcutta High Court and is a member of our Governing Body.

The West Bengal Government has recently proposed the establishment of a Basic Training School in connection with our Industrial Department. Our scheme for this new School (Buniadi training) has been accepted by the Government, and the Board of Governors has agreed to give a building and sufficient land for this project, but is unable to give any money. We hope and trust that the Government will reconsider its decision after realising our plight and be willing to sanction adequate funds for starting this Basic Training School.

General K. M. Cariappa, Commander-in-Chief, Indian Army, visited the School on December 27, 1949, and expressed his pleasure at the work done here. He gave us a donation of Rs. 400]. The Hon'ble Mr. N. Dutt-Mazumdar also visited the School on June 8, 1949, and praised the work. Dr. J. L. Bulsara, Far Eastern Representative of the U.N.O. and 30 delegates of the International Conference of Social Work visited the School on December 27, 1950. Dr. Bulsara declared that the Calcutta Blind School was the foremost Institution for the blind in the Far Eastern region. The Hon'ble Pandit Bajpai visited the School on January 6, this year and spent two hours here. He was highly impressed with the work.

The Annual Sports of the School were held at Government House, Calcutta, on December 26, 1949. Founder's Day was held also at Government House on December 6, 1950. Both occasions were graced by the presence of distinguished ladies and gentlemen, including the Honorable Ministers. His Excellency Dr. Katju presided and praised the work of the School and very kindly sent a donation of Rs. 2,500/- to our funds in appreciation of our work.

The Government took a documentary film of 1000 feet of the activities of the School, which will be screened all over India in an effort to enlighten the public to the needs of welfare and education of the blind.

The Principal, Sj. Amal Shah, was invited by the Governments of Bombay, Bihar, East Punjab and Pakistan to assist them in starting new Schools for the blind. Sj. Shah has already made some tours in Bombay and Bihar in this connection and helped the authorities in both States. He hopes to visit East Punjab and Pakistan some time this year in this most excellent cause. The Board of Governors were happy to know that Sj. Shah was elected a member of the International Board of Education of the Blind (U.S.A.). The Calcutta University recommended him for empanelment in the list of Experts of U.N.O. to be maintained by the Government of India.

The Governors have been pleased that under the direction of Principal Amal Shah the School has progressed a great deal during the past few years. The Board hope that when sufficient money is available, the School will expand with greater strides.

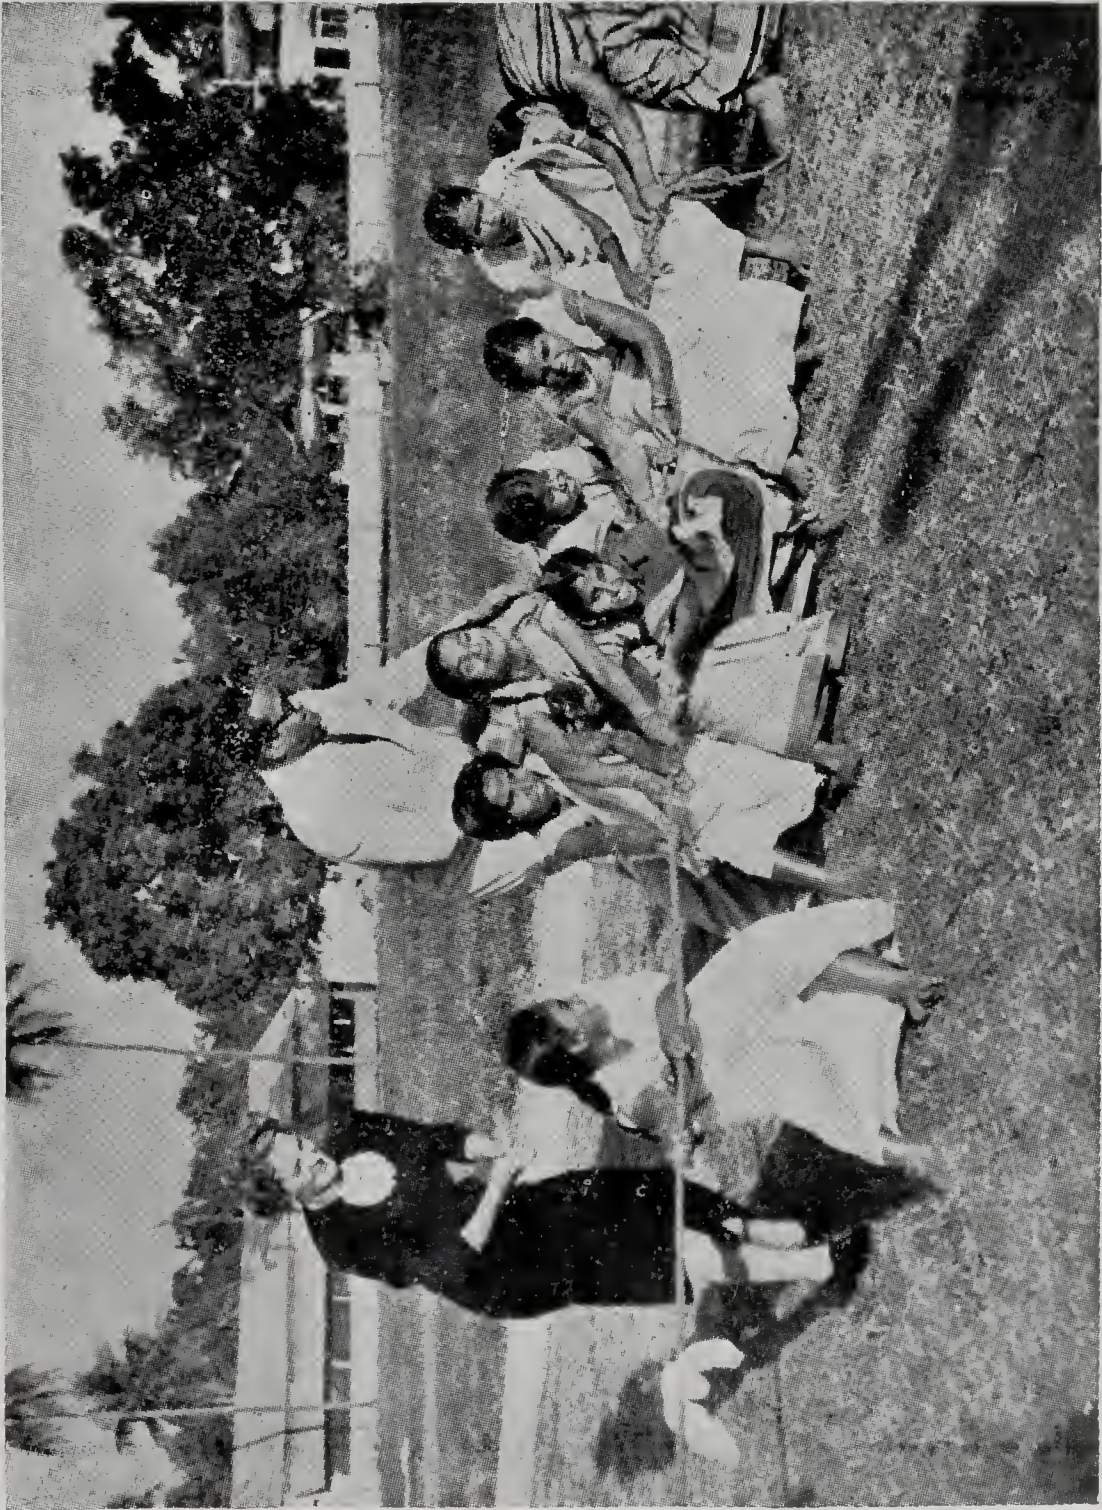

The Governors thank all the donors and well-wishers for their generous support in the past and the Honorary Officers for their kind help.

The Golden Jubilee Reports have been presented to all the donors. Those who wish to obtain a copy of this Report, may purchase it for Rs. 1/- from the School Office.

In conclusion, we have to thank The Hon'ble Chief Minister, Dr. B. C. Roy, for so kindly presiding over this function.

CALCUTTA BLIND SCHOOL,
The 28th January, 1951.

Sd/- D. J. COHEN,
Honorary Secretary.

The children have their Gymnasium, swimming pools and love swimming, boating and rowing. They are enjoying tug-of-war at the Annual sports. Mrs. A. J. Elkins and Principal Amal Shah are seen in the picture.

OUR APPEAL

Behala,

The 26th November, 1950.

To

The Friends of the Blind.

My dear Friends,

I know, you will be surprised to hear that India has more than 16,00,000 (sixteen lakhs) of blind people. Unfortunately, today she faces the problem of educating them with extremely limited facilities. To feed, clothe and educate a blind child costs Rs. 600/- a year. The Government of West Bengal's grants are not adequate and the Governors of the School have to raise nearly Rs. 70,000/- per annum from the public. Immediate provision for the welfare and education of the blind by the State is I feel imperative to make the unfortunate Blind useful and productive citizens of our motherland.

Children are real assets of a Nation. No nation can neglect its young ones and yet live and prosper. All children ought to get full facilities for their proper growth so that they in their turn can take their rightful position in society. The circumstances of the family in which they are born should not be allowed to hamper the possible manifestation of the perfection lying dormant in their hearts. It is unfortunate that in this unhappy land of appalling poverty ninety percent of our school-going children have no opportunity for improving their miserable lot through education. Amongst them the condition of those who are deprived of the precious gift of sight or parental affection at the very beginning of their lives can better be imagined than described. All the same, these unfortunate children carry in their little hearts many potential talents which other children better placed can easily develop. And it is for this vital reason that the handicapped children have a special claim upon society and the Government for their welfare, proper education and up-bringing. It is not out of pity but as a matter a duty, that the Blind should be maintained and educated.

Of the blind very little has been said or written in this country. Their misfortunes and their sorrows, their struggle and their attainments, their fortitude and their heroism have all received very little commentary. At the story that sit in darkness, of the lot which they have overcome, a sigh of compassion has arisen to many a lip, a tear of sympathy to many an eye, a glow of admiring pride to many a cheek. It is perhaps well that this should be. The deprivation entailed in the loss of sight is really a grievous one—one to which mayhap none other befalling the sons of men is to be likened. That commiseration for the state of the blind should so widely be evoked in the breasts of their fellow creatures is a tribute to the great heart of humanity.

Our humble work in India which started fifty-five years ago is in the right direction but much remains to be done. More human interest is necessary to help the cause of the blind. The Calcutta Blind School has been serving the Cause of the Blind for more than half a century and it has a brilliant record of its achievements. It is a pioneer institution of its kind in India and its work has been praised by His Excellency The President of India, The Hon'ble Ministers of the Central and State Govts. His Excellency The Governor of West Bengal visited the School a number of times and was deeply impressed. H. E. The President sent a donation in recognition of our work. The Hon'ble Dr. K. N. Katju, The Hon'ble Mr. C. C. Biswas and The Hon'ble Srimati Rajkumari Amrit Kaur donated Rs. 5,000/- each to the school funds. The Hon'ble Dr. B. C. Roy, Chief Minister, Govt., of West Bengal, promised a donation of Rs. 5,000/- for our Teachers' Training Department. We are indeed very grateful to H. E. Dr. Rajendra Prasad and The Honorable Ministers as well as to all the donors of the School. Without their active sympathy and generous donations it would have been impossible to run this Institution. We believe that it is God's work and we venture on unshakable faith day to day. We believe that our religion is to serve the visually handicapped.

We need very badly funds to admit many more poor and orphan children. We have to expand the Girls' Dormitory to admit more girls. The Industrial Department will have to be reorganised and we would like to introduce different types of cottage industries so that our young men and women can earn their living. They are eager to depend on themselves; we should encourage them. Our buildings which had been requisitioned by the Government for an epidemic emergency hospital during 1942-47, need repairs. An amount of Rs. 15,000/- is necessary to do this work.

We have awarded scholarships to our successful students for college education. Many of our students have passed the Matriculation Examination of the University of Calcutta with distinction marks. Some of them are now Barrister, Professors, Lecturers, Teachers, Businessmen, Musicians etc. Some of them are Ph.D., double M.As., B.Ls. etc. We have admitted students from all over India, Pakisthan, and Ceylon.

We need about two lakhs of rupees for this important work and I believe that the Government, both Central and West Bengal, and our friends in India and abroad, will realise our task which is a great challenge fraught with countless difficulties. We assure you that we will make the best use of all your help.

We earnestly request you to be so gracious as to contribute your donations to this deserving Cause and thereby enable us to carry on the work and extend its scope of usefulness.

I am

Very cordially yours,

A handwritten signature in black ink, appearing to read 'Amal Shah', written over a horizontal line.

(AMAL SHAH)

Principal and Honorary Assistant Secretary.

“THE PATH OF DUTY LEADS TO HAPPINESS”.

“THE POOREST SERVICE IS REPAID WITH THANKS.”

MESSAGES FROM DISTINGUISHED PEOPLE.

From His Excellency Dr. K. N. Katju, Governor of West Bengal :

Dear Sri Amal Shah,

May I send you my greetings and best wishes. The Calcutta Blind School has rendered in the past many years of wonderful service for the relief of children suffering from this great disability. It has further, as a pioneer Institution in India, been a model to schools elsewhere ; and then it has trained Instructors and thus served one of the greatest needs in this behalf. I tender to you and your colleagues and the staff my warmest congratulations on a year of beneficent work, and my blessings and best wishes to all the children under your care.

Yours sincerely,

26-1-51.

Sd/- K. N. KATJU.

From The Hon'ble Maulana Abul Kalam Azad, Education Minister, Government of India :

I have pleasure in sending you this message on the occasion of the annual prize giving of the Institution, which, I am told, is a real entertainment to the public and an occasion of demonstrating as to what the Blind are capable of doing. I, therefore, send you, the members of the staff and the students, hearty congratulations on your past record and high aspirations for the future.

I understand that the Institution has been doing useful service for over half a century, and for all that it has done it has helped to ameliorate the deplorable conditions of the Blind in the country. I hope that the contribution of the Institution to the Cause will be continued in a larger measure and will help the Blind in the conquest of Blindness. I wish you many more happy and successful years of service.

Sd/- A. K. AZAD.

New Delhi,
17th January, 1951.

From The Hon'ble Srimati Rajkumari Amrit Kaur, Minister of Health, Government of India :

The care of the blind is an essential service but I am afraid it has been sadly neglected in the past. Institution like the Calcutta Blind School has been doing wonderful work for more than half a century and those who work for this cause are to be congratulated on their labour of love. Blindness

is no longer the handicap that it used to be and we have to be grateful to those who are discovering new ways and means of helping the afflicted to stand on their own legs and not only enjoy life but become useful members of society.

I wish the Behala School every success and many many more years of service in a noble cause.

Sd/- AMRIT KAUR.

New Delhi,
17th January, 1951.

From Dr. Merle E. Frampton, Chairman, President Truman's Committee on the Handicapped, U.S.A. :

My dear Mr. Shah,

The Board of Managers, the Principal, and the Faculty of the New York Institute extend their congratulations to the Calcutta Blind School on its Annual Commencement Day. We, in the States, have followed with much interest the splendid work which the Calcutta Blind School has done over the years. We are very happy to have had a little part in your splendid effort. We hope the School continues to have the support of all its people. I know the School will continue to progress.

Very sincerely yours,

Sd/- M. E. FRAMPTON.

New York,
17th January, 1951.

From Dr. J. F. Bulsara of the U. N. O. :

It has given us great joy together with education to visit and go round the various activities of the finest Institution for the Blind that we have been fortunate to see in the Far Eastern Region. We wish it brighter future of service in the Cause of the handicapped child.

Dr. Bulsara and the delegates of the Asian Conference on the Handicapped visited the School on December 27th, 1950.

From General K. M. Cariappa, Commander-in-Chief, Indian Army.

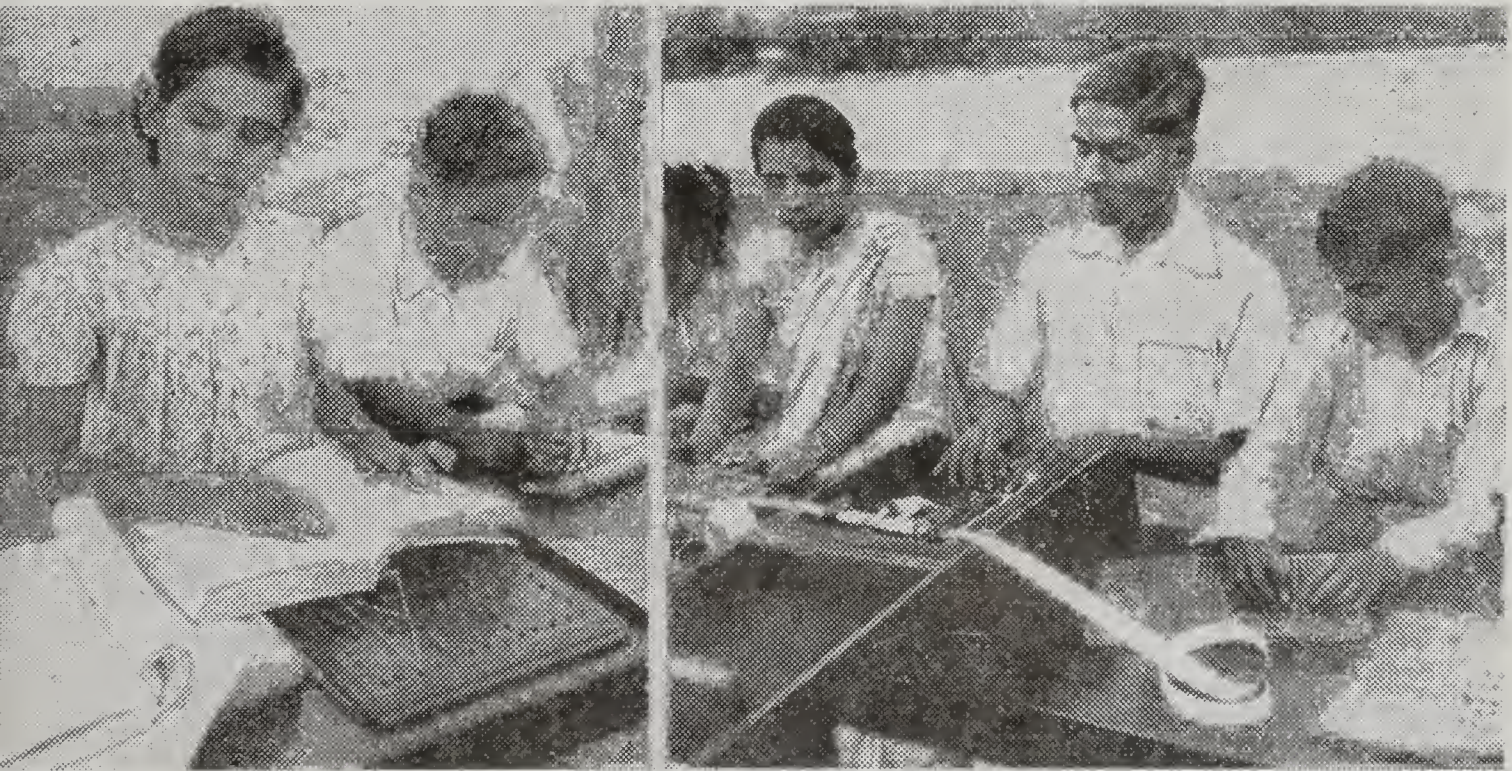

"The Calcutta Blind School—one of the pioneer institutions of its kind in the East—has been rendering admirable service to the blind of our country for over fifty years. I had the privilege of visiting this institution and seeing its various activities. I was most impressed with the work that is being done there in order to educate the unfortunate blind children. Everything was

tidy, orderly and well kept ; all the children looked very happy and well looked after.

I am happy to hear the Institution is celebrating its Founder's Day on 16th December, 1951. Started in 1897 by the late Rev. LAL BEHARI SHAH, this School has been doing commendable work in the rehabilitation of the visually handicapped children of our country. I congratulate Shri AMAL SHAH and his staff on the remarkable progress made and excellent results achieved in dealing with the problems of the blind. I am sure they will continue to work with still greater zeal in the field of education and welfare of the blind. I hope too that such people who, by the grace of God, have the good fortune to be financially prosperous will donate to this School whatever money they can spare. It is a good cause—wellworth helping. Every rupee helps."

Sd/- K. M. CARIAPPA.

New Delhi,
29-11-1951.

Literary Classes.

Latest apparatus for the blind are used by the students. The girl 3rd from the left and the boy sitting by her side passed the Matriculation Examination this year. The boy, Sriman Amin Hembrom, passed in the 1st division with distinction marks. He has been awarded a scholarship by the School for further studies in the College.

HELP THE BLIND

NO more to see the Sun-light,
NEVER again a face,
NOT even a little child's
YET live and run the race.

Yes race—in competition,
HANDICAPPED in sight
FIGHTING unseen battles
THROUGH endless night.

BUT hark ! the call has sounded,
KNOWLEDGE spread broad-cast
OF the blind and their problems,
THEIR chance has come at last.

AND Yours ! Those sightless eyes
YOU can't forget, T'is but a Humble Call
GIVEN in glory for your Eyesight
TO the Blind School of Bengal.

The monogram is symbolic of the spirit of the C. B. S. (Calcutta Blind School). It is a ray of light to pierce the dark of sightlessness—a beacon to lead the blind to safe and firm anchorage in life.

MORE THAN

16,00,000 (Sixteen Lakhs) Blind People in India.

40,000 (Forty Thousand) in Bengal.

WOULDN'T YOU HELP THEM TO SEE LIGHT ?

It is on the sound elucation of the people that the security and destiny of every nation chiefly rest.

Endowments, donations, subscriptions and other gifts will be gratefully received and acknowledged by the Principal, Calcutta Blind School, Behala ('Phone South 1824), on behalf of the Board of Governors.
